Stupid Humor at its worst or best, depending on if you have a sense of humor or not. The fun is just beginning... Additional Commentary: First, Squeaky has no brains, and neither does her owner Tumbleweed Charlie. They belong together....really. And who would name a cat Squeaky? Probably someone stupid. (Oops, try not to say anything bad about Tumbleweed Charlie - he really is a sensitive chap.) This is no Pulitzer Prize winner, I will say that - better break out your crayons.
