

The Twelve Years of Christmas - Plus Assorted Parting Christmas Gifts!

Never mind twelve days. Who could put up with twelve years of Christmas with the extravagant, dazzling and delectable Lady Jasper? The answer, it seems, is poor Lord Jasper, her ever adoring and devoted other half. But what truly is the question? What dark mystery lies beneath the pores and passion of their torrid relationship? As Lord Jasper sings whimsically of his lifetimes dedication to the incorrigible Lady J all is not as it first appears. Dark truths about his True Love painstakingly unfold. From flirty looks to full-on rampant sectioning, from multi-purpose socks to rip-roaring fires, this witty adaptation of the Christmas classic has it all. Evermore Christmas joy as each year passes. And a partridge, or two, not necessarily in a pear tree! If this crafted collection of outrageous comic verse doesnt bring you out in a cold sweat, its twist and turns will have you roaring like a log fire. A cry to gather round, take a deep breath and sing along - to a tortuous tale of aristocratic trials and tribulations. With ever the eye for a delicious twist at the end, the redoubtable Fred Hedges at his witty and ingenious best.
