

# THE POSSESSOR

An original one hour slightly supernatural pilot. The modern noir tale of Milo Hooks, a cynical and sarcastic private detective hiding a sinister secret. He struggles to use this secret to covertly help a homicide detective with some of Detroit's worst crimes, while forcing himself through the darkest parts of humanity and to the brink of madness. This gift comes with a price. For every time Milo inhabits another, he brings back residual memories things they have seen which cannot be unseen, things they have done which cannot be undone. These unfiltered memories, the darkest moments of strangers, over time have amassed into a unique bitterness, a cynical distrust of the world around him. MILO HOOKS, a burned-out private detective who can jump into other bodies at will, human or otherwise And he hates it.
