

Commercial\$peak!

Commercial\$peak! is a must for anyone who does or is considering doing voiceovers, broadcast commercials, or narration. Five of America's foremost television and radio commercial voice talents share coaching tips and new techniques on auditions, interpretive copy delivery, voice demos, and unique promotional strategies. Plus, top names in the business share secrets for producing a killer voice demo, preparing a winning audition, finding and working with the right agent, stretching your voice and enhancing your delivery range, and developing your signature voiceprint.
