

# Ramses: The Eternal Temple - Volume II: 2

The splendor and danger of ancient Egypt continues in the second volume of this magnificent saga. For Ramses, the Son of Light, the coronation has arrived. Now he will learn whether the friends of his youth--people such as Moses and the aging Greek poet, Homer--can truly be trusted. Shaanar, the young kings scheming older brother, still has designs on the crown, and in the shadows, the machinations of a mysterious sorcerer threaten the throne.
