

Dangerous Book for Idiots: 100 Death-Defying Projects for the Reckless Fool

Are you a few cards short of a full deck? Do you sneer at danger? Think Jackass is for wimps? Are you fond of hospital chow? Then you, my friend, are an idiot, and this is the book for you, a collection of no-brain misadventures, pranks, sports, jobs, and daredevil hijinks that no sane person would even contemplate. Just make sure you've got the address of your local ER handy and get ready to roll with more than 100 hilarious, silly, and plain stupid stunts.
