

## Number Search: 101 puzzle in large 22pt font! (Volume 3)

This is volume 3 of the series. All puzzles are new. This time the final puzzle is a novelty and a surprise! The rules of Number Search puzzles are simple: find the listed numbers in the grid. They can be laid out in any of the 8 directions: horizontal, vertical, left diagonal, right diagonal and all those backwards, too! Lots of numbers for you to find. Printed in large font, so easy to see! The solutions are at the back. Have fun and ENJOY! :)
