

Southwater Market Stories: vol 01: the jeffingoff saga

Jeff shines soft light on the Teamster life. Soft light because you really dont want to see too much. But you want some. Jeff will give you some. Just a taste. And it tastes like failure. ABOUT JEFF Hes a lifelong Chicagoan just waiting for his turn to be shot. He writes to cope. And he has much to write. Hes a husband and a father of three. He knows you pretty much hate him by now.
