

## The Second Book of Toadal Wisdom

As in the First Book of Toadal Wisdom, our frogs and their friends continue to tease, inspire, and guide you through those moments in life where only toadal wisdom will do! And the grins just keep on coming! Our wisdoms fit (loosely) into several categories: The Inspired Frog The Working Frog The Parent/Teacher Frog The Naughty Frog, and Wisdom of the Old Toad And again we have more that, like some of our characters, just don't fit anywhere else! Enjoy!
