

How to Celebrate Christmas When the World Doesn't Stop Spinning

In their tenth publication, as a companion to their Naked Window memoir series, Antonio Cassone shares essays of passages, vignettes, anecdotes, inspirational stories and thoughts from his own life experience, as an examination of how to celebrate Christmas and the holiday season in general in today's topsy-turvy world. He examines the diversity in culture, importance of friends and family and living life as a gay, Catholic, Christian, divinely-queenly man.
