

Ric-A-Dam-Doo: The Snow Devils

Retired Special Forces soldier PB Reese and his wife Janet, a former Interpol agent are enjoying sunny southern Arizona until the granddaughter of a friend is kidnapped by a ruthless Mexican gang and smuggled across the border. The state police and FBI are rendered virtually helpless as the gang hides behind International laws and several levels of corruption. Crossing the line between the two countries will not be a problem for the Reeses when they decide to take matters into their own hands. The unusual couple use their special skills to do things that regular law enforcement just cannot. Loyalties are tested and human nature is examined in this action filled crime thriller. What is a Ric-A-Dam-Doo? First and foremost it is the flag of the Princess Patricia Canadian Light Infantry. But it is more than that. Ric-A-Dam-Doo represents the pride and honor of the brave men and women, past and present, that have served their nation and the rights of the oppressed around the world since the first regiment was formed during WWI.
