

## Sailing Into The Abyss: A True Adventure Story

This is a life-changing true story of drugs-running across the Pacific. A young girl with a passion for sailing gets approached to transport an illegal cargo from Colombia to the US. She battles with storms, snakes, and interminable days at sea, before finally being intercepted by a Mexican gunboat. Her subsequent incarceration in Mexico's most infamous prison, La Mesa, is almost more surprising: the treatment she receives and the people she meets become a transformative experience, as she recounts in this totally compelling personal journey.
