

## Box Set: Speed Kills and The Unsolved Murder of Adam Walsh (Special Single Edition): Two Investigative True Crime Books by Arthur Jay Harris

**SPEED KILLS:** He built the fastest boats -- for royalty, the rich, spies, smugglers, Feds and a former U.S. President. Then came six shots. It was the era of cool shades and Miami Vice, and Don Aronows Cigarette boats were the symbol of the city's sun-drenched decadence. But faster than his speed boats was Aronow himself -- in races behind the throttle, in business deals and on the town with his collection of stunning women. And then, in broad daylight, someone in a dark Lincoln gunned him down. Who had Don double-dealt? A dope smuggler? The Mafia? The husband or boyfriend of one of his many paramours? And after ten years of dogged work, did Miami police get it right -- or were they dead wrong? **THE UNSOLVED MURDER OF ADAM WALSH (SPECIAL SINGLE EDITION)** The medical examiner misidentified the body. The cops blamed the wrong suspect. What really happened to Adam Walsh? In 1981, America was captivated -- and horrified -- by the kidnapping and reported murder of six-year-old Adam Walsh. Florida police ultimately identified the decapitated head of a found child as Adam, and implicated an out-of-town drifter as the murderer. But something about the investigation was incomplete. And wrong. In this special Single Edition of his controversial two-book chronicle, journalist Arthur Jay Harris reveals that Walsh's kidnapper was actually the notorious serial killer Jeffrey Dahmer, that the body found by police was misidentified, and that Adam Walsh is quite possibly -- even probably -- still alive.
