

Its a state of mind

British Commando to Thailand undercover detective This short story about Stan will give you the fascinating insight in how he works as a foreign undercover detective. Stan spies for a crack Royal Thai Police team. Drug trafficking and human trafficking is a real life problem that real people like Stan deal with day in day out. Dangerous is an understatement. The Author has pledged to Donate 10% of all income raised from sales of this short story to the injured Marines returning home from war thank you for your support.
