

## Texts from Jane Eyre: And Other Conversations with Your Favorite Literary Characters

Hilariously imagined text conversations—the passive aggressive, the clever, and the strange—from classic and modern literary figures, from Scarlett O'Hara to Jessica Wakefield Mallory Ortberg, the co-creator of the cult-favorite website The Toast, presents this whimsical collection of hysterical text conversations from your favorite literary characters. Everyone knows that if Scarlett O'Hara had an unlimited text-and-data plan, she'd constantly try to tempt Ashley away from Melanie with suggestive messages. If Mr. Rochester could text Jane Eyre, his ardent missives would obviously be in all-caps. And Daisy Buchanan would not only text while driving, she'd text you to pick her up after she totaled her car. Based on the popular web-feature, Texts from Jane Eyre is a witty, irreverent mashup that brings the characters from your favorite books into the twenty-first century.
