

# That Far Greater Bay

That Far Greater Bay is the Stephen Leacock Memorial Medal winning collection (1977) of Ray Guys best and most vitriolic articles that have appeared in newspapers and magazines countrywide. Aunt Cissy Roach, Sylvester Codpiece, and other immortal characters make their long-awaited encores, and even Premier Joey Smallwood returns for more punishment from a master satirist at the top of his game. Of course, no collection of Ray Guys works would be complete without his stories of sentiment on outharbour life and days long past.
