

Female Cross-Dressers: True Stories of Deception, Daring, And Drama (The Bad Girls Series Book 3)

Modern women pursue their dreams with a freedom their ancestors would scarcely have imagined. What would you do if you knew you had the intelligence and the passion to become a brilliant doctor, but because you were female, you were denied? Meet 13 women who faced that very barrier and found an extreme solution...assume the role of a man! Refusing to settle for what was allowed them as women, they chose to dress and live as men, many carrying on their deception so successfully they were not discovered until after they died. Meet soldiers, a famous jazz pianist, a stage performer, a stage coach driver, a doctor, and even a cross-dressing queen. Their true tales of deception, daring, and drama will surely leave you with admiration for their courage. Female Cross-Dressers is the third book in the Bad Girl Series by author Jo Tempest - real stories of real women who broke the rules. Female Spies, and Female Assassins are also available now for download.
