You need an IQ of at least 4 to tie a shoelace. *** An evil genie captured a Bhutanese and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldnt die of thirst. The second friend brought an umbrella to keep the sun off. The Bhutanese brought a car door, because if it got too hot she could just roll down the window! *** Did you hear about the Bhutanese who wore two jackets when she painted the house? The instructions on the can said: Put on two coats. *** Why do Bhutanese laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. ***
