

## The Best Ever Book of Swiss Jokes: Lots and Lots of Jokes Specially Repurposed for You-Know-Who

If you've ever heard a Jewish, Italian, Libyan, Catholic, Irish, Mexican, Polish, Belgian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Swiss jokes is for you. In this not-so-original book, *The Best Ever Book of Swiss Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who*, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. *The Best Ever Book of Swiss Jokes* is so unoriginal; its original. And, if you don't burst out laughing from at least one Swiss joke in this book, there's something wrong with you. This book has so many Swiss jokes; you won't know where to start. For example: Why do Swiss Citizens wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. \*\*\* An evil genie captured a Swiss Citizen and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldn't die of thirst. The second friend brought an umbrella to keep the sun off. The Swiss Citizen brought a car door, because if it got too hot she could just roll down the window! \*\*\* Did you hear about the Swiss Citizen who wore two jackets when she painted the house? The instructions on the can said: Put on two coats. \*\*\* Why do Swiss Citizens laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it.
