

The Complete TIPS Ideas for Actors

Until recent times, acting wisdom was passed on through an oral tradition called tips. Presented here are 507 tips, including the way to set up a laugh, the use of opposites, a clear definition of actions, how to use a breath score, and even how to react if you're fired. The tips are simple to implement and will lead to a better day at auditions and rehearsals, and a better night in performance. It's like having an acting coach in your rehearsal bag!
