

## The daily singles & doubles chart: Pick 3 lottery (North Carolina)

This is a series of pick 3 lottery singles and doubles charts. Every state has its own unique formula, very simple to use. Simply choose today's date and play the numbers for that date...how simple can it be? I have been using this for awhile online with significant results, I then decided to share this with you. Look for the pick 4 version coming out in a few days. Good luck!
