

## Dudesong

In Dudesong, the Coen Brothers cult classic film *The Big Lebowski* is reimagined in the style of a Homeric epic poem. All the fans favorite characters are here and no moment from the film is missed in this meticulous translation. Follow along with The Dude as an unfortunate act of vandalism thrusts him into a world of ransom and rewards, pornography and high art, white Russians and pale Germans. A heros tale deserves a heroic format, and Dudesong faithfully delivers. With a foreword by Oliver Benjamin, founder of Dudeism!
