

## The Girls She Left Behind (Lizzie Snow)

A teenage girl with a history of running away has dropped out of sight again. The locals and the law both think Tara Wylie is up to her old tricks-until her mother receives a terrifying text message. Equally disturbing: Henry Gemerle? a kidnapper and rapist who once held three girls prisoner for fifteen years-has escaped, and may be lurking in Bearkill. Lizzie Snow teams up with her boss Sheriff Cody Chevrier to search for the missing girl and the wily fugitive. Following a trail of grisly clues-a bloodstained motel room, a makeshift coffin in a shallow grave-Lizzie is drawn ever closer to the flames in her race to save an innocent and corner a monster.
