

The Good Writing Guide for Education Students (SAGE Study Skills Series)

Whether you are returning to studying after a break, or need help adjusting your writing skills to meet the needs of your education course, this practical, down-to-earth guide will help you improve your literacy skills. Aimed specifically at students in education courses, this book uses examples of students work to highlight common problems, and provides guidance on how to improve. There are handy lists of Dos and Dons and lots of examples.
