

The High Stakes Pick 3 Gambler

In 2010, we heard about this Pick 3 player who won \$15,000 in the midday Pick 3 game, playing at the customer service counter at the grocery store. We eventually met him and got to talk with him about what he was doing. Two years later, we happened to hear that he had won \$18,000 playing Pick 3. In this book we provide two very specific indicator systems. If you see a number, this is what to play. One if for Pick 3 and one is for Pick 4 games in all states.
