

Pitch Detection and Comparison for Vocal Training: Become a Professional Singer the Easy Way!

Have you always dreamt of being a professional singer? And the lack of a coach or a professional guide being the only reason that kept your dream from being a reality? This book introduces a new Vocal Training System that directs amateur singers on the right tract to professionalism. Here the world of Digital Signal Processors are exploited to give rise to a SHARC Processor Vocal Trainer. Put on the CD of your favourite singer, use the technology described and LET THE SHOW BEGIN. Happy reading and Happy singing.
