

Vanessa: The Life of Vanessa Redgrave

In this first-ever biography of the woman many have called our greatest living actress, the formidable Vanessa Redgrave is at last revealed to us in all of her different personas. Who isn't in awe of Vanessa Redgrave? Her career on stage and screen remains vital and her extreme-left political stands are still quite controversial. This is the moment, and this is the biography, to take stock of Vanessa Redgrave both as actress and as political activist with a critical, objective study of her life and career. It is also time to account for her unparalleled achievements as an empathetic actress of considerable genius. Anyone who has seen Redgrave in her numerous stage and film roles will know why she is the very best we have. The radiant, fearless, daring, perverse and always unpredictable Redgrave is the brightest light in the forest of her famous family. 16 pages of B&W photographs
