

The Magic of Flowers: Color, Frame & Display (Color Magic to Frame & Display)

Reawaken your individuality with this hot new trend: coloring books! Adults love it because it allows them to tune in, tune out, and turn off their screens. The result? Less stress, enhanced creativity, and better health. Once you've completed each work of art, you can share it with the world with the help of this one-of-a-kind book. Its stand-up display and exchangeable cards let you showcase your colorful take on these gorgeous patterns.. Best of all, each design is featured as a one-sided illustration, so today's work of art won't bleed through and ruin tomorrow's dazzling creation. In *The Magic of Flowers*, you'll discover 30 beautiful blooms--from roses to daisies and beyond--that will help you focus, release tension, and create.
