

## Then the Roof Fell In!

We stood still for a few moments, listening carefully, preparing for the worst; after all, did we need to run out of the house? Had the roof fallen in? Builders crack can mean something completely different! There are cracks and crackpots all over the site; Ambrose the Labourer with his cowboy boots, Elfin Man who was plastered and the most majestic fall of all, down the Effluent Hole! Laughter and tears, gasps of disbelief, this excruciatingly humorous view into the personal experiences of a Property Developer will open another dimension in your life. If you think bricks and mortar are boring, think and think again. THE most amazing and humorous occurrences happen when you get a team of builders together! Read, enjoy and laugh out loud. And be prepared for jaw dropping disbelief in what people can do with their houses. These are the sorts of facts and tales you would NEVER be told by the people trying to get you into property investment! But they are nonetheless valuable, as an insight into the world of property renovating and dealing. Read and enjoy!
