

The Kennedy Presidency: An Oral History of the Era

These rich anecdotes and revealing remembrances offer a treasure trove of fresh insights into the Kennedy presidency. Cleveland Plain Dealer Its the bedside equivalent of sitting on a bar stool or a park bench with a bunch of old, interesting, self-deluding veterans swapping war stories. Baltimore Sun The Kennedy Presidency is the Strobers updated edition of their classic presidential oral history, for which they have conducted additional research and offer hindsight analyses of such issues as the Bay of Pigs, the Cuban Missile Crisis, the Berlin Crisis, the U.S. involvement in Vietnam, and the administrations early hesitancy to become involved in the civil rights movement.
