

The World According to Bob: The further adventures of one man and his street-wise cat

The incredible sequel to the bestselling *A STREET CAT NAMED BOB* - the moving and uplifting true story of an unlikely friendship between a man on the streets and the ginger cat who adopts him, soon to be a major motion picture starring Luke Treadaway. Since Bob has appeared, I've made huge strides in my life. For more than a decade I was a homeless drug addict.

I was lost to the world and had forgotten what was important in life. Now I've got myself back on my two feet, but as I put the past behind me, I'm still stepping unsteadily into the future. I still need help in the right direction. Bob is always there to offer guidance and friendship. James and his street cat Bob have been on a remarkable journey together. In the years since their story ended in the bestselling *A STREET CAT NAMED BOB* James, with Bob's help, has begun to find his way back to the real world. Almost every day, Bob provides moments of intelligence, bravery and humour, at the same time opening his human friends' eyes to important truths about friendship, loyalty, trust - and the meaning of happiness. In the continuing tale of their life together James shows the many ways in which Bob has been his protector and guardian angel through times of illness, hardship, even life-threatening danger. As they high five together for their crowds of admirers, James knows that the tricks he's taught Bob are nothing compared to the lessons he's learnt from his street-wise cat.
