

## A Test Case of Life

Canadian Comedy Award winner Drew McCreadie offers the world *A Test Case of Life*, a novel which, during the reading of, you will find yourself literary laughing out-loud. *A Test Case of Life* is the story of a loser who doesn't even really want to win. It is the story of Bill, who never liked his name, his role in life, or the expectations that life had predetermined for him. Thrown into a romance and political intrigue beyond his control and understanding, Bill discovers that life is an absurd series of incomprehensible coincidences. And then the book ends.
