

# Literature for Voice: An Index of Songs in Collections and Source Book for Teachers of Singing (Volume 1)

Now in paperback! A practical and useful reference book for students and teachers. Unique in concept, it shows in musical notation the key and range of over 1,700 songs in 60 of the most popular and available song collections. Lists: Composer Title Key and range in musical notation of each song Anthology of Grieg songs Pronunciation Each song has an entry number, which makes the index of song titles and composers helpful and easy to use. If a song is available in more than one range, all keys and ranges are shown. A valuable tool for librarians as well as for students and teachers. Cloth edition originally published in 1984.
