

## USED

On the last day of the month at King Auto, the salesman with the fewest cars sold that month gets fired. Jack McCutcheon is on the bubble and fighting to save his job. Instead of finding a supportive team to help him save his job, fellow salesmen are taking bets on his impending failure. Used is a dark comedy that draws on the pursuits of an everyday man who is just trying to make an honest living in a dishonest world. However, despite the seemingly inevitable axe, Jack momentarily takes his career out of the hands of finicky car shoppers and may actually truly end up the winner.
