

What Are Your Boundaries?: A Burning Man Travelogue

After 3 years of attending the Burning Man festival outside Reno, NV, a newly-devised lottery system seems to have ruined Sauls chances of returning in 2012. But a conversation with an Australian houseguest puts Saul in touch with the More Carrot camp, a hard-working, 30-person theme camp with a few tickets to spare. All Saul and his friends will have to do is help run a currency-free Farmers Market in the middle of the scorching hot desert. In this book, Saul shares his adventures with the Black Rock City Farmers Market, as he and his campmates build a swamp-cooled yurt, ride a dubstep-blasting, fire-breathing dragon, and dress up as carrots to protest the Billion Bunny March.
