

## Who Rescued Who 2?: MORE Tales of Street Dogs and the People Who Love Them

This is the second collection of delightful tales about hope, loyalty, and love. In the interior of Mexico on the north shore of Lake Chapala, dogs trot through the villages making daily rounds at the local shops visiting with residents, tourists, and each other along the way. Follow the tales (and tails) of these canines as they find their way into the hearts, and forever homes, of the people who love them. A book for all ages, its tortilla soup for the dog lovers soul. You'll laugh, you'll cry and if you've ever loved a dog, you'll relate.
