

# Why Normal Isn't Healthy: How to Find Heart, Meaning Passion & Humor on the Road Most Traveled

Doing what comes naturally- what millions of years of evolution have programmed us to do-may be perfectly normal, but its not necessarily healthy. Where, in the headlong progress of the human race, do you really fit in? Take a minute to find out, and find yourself, in this wise book devoted to the proposition that a whole, healthy, heartfelt life is something that each of us must and can learn-and earn-anew. Funny, incisive, and persuasive, this doctors prescription is as easy to swallow as it is effective: laugh, misbehave, make mistakes, and through it all discover your very own potential for health, healing, and wholeness.
