If youve ever heard a Jewish, Italian, Libyan, Catholic, Irish, Mexican, Polish, Belgian, Norwegian, or an Essex Girl, Newfie, Mother-in-Law, or joke aimed at a minority, this book of Chadian jokes is for you. In this not-so-original book, The Best Ever Book of Chadian Jokes; Lots and Lots of Jokes Specially Repurposed for You-Know-Who, Mark Young takes a whole lot of tired, worn out jokes and makes them funny again. The Best Ever Book of Chadian Jokes is so unoriginal; its original. And, if you dont burst out laughing from at least one Chadian joke in this book, theres something wrong with you. This book has so many Chadian jokes; you wont know where to start. For example: Why do Chadians wear slip-on shoes? You need an IQ of at least 4 to tie a shoelace. \*\*\* An evil genie captured a Chadian and her two friends and banished them to the desert for a week. The genie allowed each person to bring one thing. The first friend brought a canteen so he wouldnt die of thirst. The second friend brought an umbrella to keep the sun off. The Chadian brought a car door, because if it got too hot she could just roll down the window! \*\*\* Did you hear about the Chadian who wore two jackets when she painted the house? The instructions on the can said: Put on two coats. \*\*\* Why do Chadians laugh three times when they hear a joke? Once when it is told, once when it is explained to them, and once when they understand it. \*\*\*
