

The Complete Shakespeare Monologues for Your Type: The Female Roles (Shakespeare Monologues for Your Type Book 16)

Now! All the female collections from Shakespeare Monologues for Your Type together in one volume. **NEED MATERIAL FOR CLASS MONOLOGUES AND AUDITIONS?** Of course, the problem is not finding a speech by Shakespeare - there are thousands of them. It is finding one that is right for YOU. Make Your Search Easier This series, Shakespeare Monologues for your type, is designed to make this task a whole lot easier. Unlike many books where you buy dozens of monologues only to find that most are wrong age, wrong gender, or wrong type, this series has pre-sorted speeches into useful groupings. In this volume you will find the complete set of female character monologues gathered into a single volume: The Miranda Collection for Teens and Tweens, The Juliet Collections 1 & 2 for Young Women, The Lady Macbeth Collections for Leading Ladies, The Beatrice Collection for Young Character Women, and the Mistress Quickly Collection for Mature Character Women, plus 10 Sonnets that work as Audition pieces. Each collection steers clear of clichéd choices and offers fresh, gripping material that will help you stand out from the crowd. For each selection you will find:

- * the complete speech, newly edited for this booklet by Shakespearean scholar and director Kurt Daw;
- * extensive notes on the pronunciation that tells you exactly how to pronounce any tricky or archaic words in the monologue;
- * a full introduction to the speech explaining the context of the speech;
- * and suggestions for acting the role.

In addition, this booklet also contains:

- * an extensive list of resources including links to great (free) websites,
- * annotated lists of the best reference books
- * and multi-media sources,
- * and a **FREE** special offer.
