

Youre A Loser, When:

This calendar type book contains statements describing everyday people acting or thinking foolishly. The statements will allow people to look at themselves from another angle and laugh a little. The book calendar was not put together to intentionally hurt or degrade people, but you need to have an open mind on each statement. You will start your day with a hop in your step and a smile on your face, even before you have your first cup of coffee. People need to laugh and think a lot more and this calendar book will definitely make you think and maybe improve yourself. Be good - be happy.
